Arrive too early or too late	Usual hourly rate + € 2,00
The 51 week agreement contains the fixed days and times on which your child uses REKI You cannot change or shift the fixed days and times free of charge and without REKI's approval If you do, unfortunately the extra time will be charged	Usual hourly rate + 2,00 (extra time per 5 minutes)
Arriving late after 6 pm and therefore after closing time	
REKI closes the door at 6:00 PM and you must have picked up your child If you are unable to pick up your child on time, the extra time will be charged because the life coach is scheduled until that time If you come after 6:15 pm, the full hourly rate of the life coach will be charged to you per hour	Usual hourly rate + 2,00 (extra time per 5 minutes)
Automatic collection	
The direct debit is prepared by the bookkeeper around the 20 th of the month. 2 to 4 days are taken into account for processing by ING	Parental contribution is collected automatically around the 28 th of the month
Cancellation	
You can cancel the agreement in writing via info@reki.nl The date of receipt, if it falls within the working days and times of REKI, is counted as the first day. If the cancellation takes place outside the openings hours, the commencement date of the opening hours will be used. The notice period is 4 weeks and you will receive the agreed end date from us in writing via email. When your child turns 4 years old, the parental contribution is calculated up to the birthday. If you cancel within 51 weeks, the hours and days will be recalculated	There will be no refunds The parental contribution is calculated at 51 weeks, divided by 12 months, which results in an average hourly and monthly rate that is rounded up.
Apply for childcare allowance (see website)
